COVID-19 : Closure of Observatoire de Paris - PSL

Date de mise en ligne : vendredi 13 mars 2020

Observatoire de Paris - PSL Centre de recherche en astronomie et
astrophysique

Following the measures announced by the Prime Minister on Saturday 14 March, and in accordance with the instructions received from the Ministry of Higher Education, Research and Innovation on Sunday 15 March, the three Observatory sites will be closed on Monday 16 March and until further notice.

Consequently, as of Monday morning, all staff are invited to stay at home, with the exception of staff carrying out [functions identified as vital](#).

Staff who have been unable to make the necessary arrangements for teleworking and who arrive on site on Monday morning will be invited to go to their office quickly and then have to leave as soon as possible.

Staff are invited to consult the intranet website for more information.
