Protection of personal data

This web site, which includes nominative information identifiable with the personnel of the Observatoire de Paris and its partners, is the subject of a declaration made to the CNIL (note n°1128351). As stipulated by the act n° 78-17 of January 6th 1978, concerning computer science, files and freedom (articles 38, 39, 40), you have the right to consult, to rectify and to suppress data which concerns you, on-line on this site. To exercise this right, you can contact the Webmaster.

The collection of this information is necessary to answer your requests and to send you, if necessary, an electronic newsletter. The Paris Observatory will keep your data as long as you wish to receive the newsletter.

If you subscribe to information services by e-mail ("newsletter") you can ask to stop receiving these e-mails by contacting the webmaster.

This information will not be communicated to third parties. Only the personnel of the Paris Observatory for the management of these operations has access to the data.

For any additional information you may contact our Data Protection Officer of the Observatoire de Paris (dpo/obs-obspm.fr)

If you feel, after contacting us, that your computer and freedom rights are not respected or that the access control device does not comply with the data protection rules, you can submit a complaint to the CNIL.

Conditions of use

Clause of non-responsibility

Legal notices

The information and other elements appearing on this site are only indicative. Any part, or the entirety, of the information on this site are given as is, without any guarantee of any sort, whether direct or implied, and without limitation, concerning availability, exactitude or completeness.

The Observatoire de Paris cannot be held responsible for any prejudice, direct or indirect, resulting from the use of information on this site, which can contain errors, inexactitudes or omissions, and which can be modified at any moment.

The Observatoire de Paris cannot be held responsible for accidental prejudice, direct or indirect, resulting from the use of part of all of the elements on the site, nor for any interruption or any other failure to access the data contained on the site.

Intellectual Property

The site of the Observatoire de Paris is a creative work, the exclusive property of the Observatoire de Paris, protected by the French and International legislation relative to intellectual property. No reproduction or manifestation can be done which contravenes the rights of the Observatory as defined by the above legislation.

Hypertext links

The installation of hypertext links by third parties to pages or documents which are on the site of the Observatoire de Paris, is authorized on condition that the links do not go against the interests of the Observatoire de Paris, and that they guarantee that the user can identify the origin and the author of the document. The Observatoire declines all responsibility for internet sites with a link to the Observatoire.

The site of the Observatoire de Paris can have links to other internet sites. These links are inserted only to facilitate access, and the Observatoire de Paris declines any responsibility for their content.
